

- › Insulfoam EPS insulations come with numerous code approvals and ratings, both national and regional
- › The UL listings shown below are a sample of our approvals for common roof systems
- › Check with your local Insulfoam rep for a complete listing of approvals and ratings applicable to your region
- › UL Class A ratings automatically provide UL Class B and UL Class C ratings
- › Coverboards, where needed, are available from Insulfoam as composite products (EPS factory-bonded to Gyp, OSB or Plywood) or can also be field applied
