UL Class A Assemblies Insulfoam Roofing Insulation

- > Insulfoam EPS insulations come with numerous code approvals and ratings, both national and regional
- > The UL listings shown below are a sample of our approvals for common roof systems
- > Check with your local Insulfoam rep for a complete listing of approvals and ratings applicable to your region
- > UL Class A ratings automatically provide UL Class B and UL Class C ratings
- Coverboards, where needed, are available from Insulfoam as composite products (EPS factory-bonded to Gyp, OSB or Plywood) or can also be field applied

Insulfoam
